

## TELEPHONE GAP INTEGRATED RESOURCE PROJECT

### VIRTUAL MEETING

**Wednesday, July 14, 2021**

**6:30 – 9 p.m. EDT**

The Rochester and Middlebury Ranger Districts of the Green Mountain National Forest are hosting a virtual informational meeting for the Telephone Gap Integrated Resource Project on **Wednesday, July 14, 2021, from 6:30 - 9:00 p.m. EDT.**

During the virtual meeting, Green Mountain National Forest staff will present background information about current forest conditions and potential management activities to implement within the project area. Information received from the public during this meeting will be used to foster collaborative efforts and help develop the project proposal.

Please feel free to share the link to anyone interested. The virtual meeting will be conducted through Microsoft Teams, and can be joined through an internet browser or a mobile app. Presentation materials, a Landscape Assessment, and maps will be available prior to the meeting at the project website: <https://www.fs.usda.gov/project/?project=60192>.

If you wish to obtain hard copies of any presentation materials or request reasonable accommodations, please contact Project Lead Shawn Langston at [Shawn.Langston@usda.gov](mailto:Shawn.Langston@usda.gov) or (802) 747-6743. If you are unfamiliar with the Microsoft Teams platform, we suggest joining the meeting a few minutes early to orient yourself.

To join the meeting on your computer or mobile app on **Wednesday, July 14, 2021 (6:30 - 9:00 p.m. EDT)**, use the following link:
